Good Things Do Come In Small Packages!

TAMPA, FL (Friday, March 20, 2009) – We’ve heard the pleas from KraftyBlok customers – “more KraftyBlocs!” We’ve responded with two fabulous solutions, the KraftyBlok Mini and Rectangle!

The KraftyBlok Mini is a smaller version of the very popular original KraftyBlok measuring 6 in x 6 in x 3.75. The Rectangle is 4 in x 8 in; both have smooth glass surfaces great for embellishing!

This dynamo duo has removable stoppers and a 1 ¾” opening which allows you to transform them into a bank, decorative lighting, bookends or a beautiful vase, all you need is a little creativity. Stack them, wrap them, scrap and decoupage them. Whatever you choose to do, the end result will surely be a truly unique home décor item.

For more information about the KraftyBlok Mini (MSRP \$7.99) or Rectangle (MSRP \$9.99,) visit www.DiamondTechCrafts.com. We know you’re going to love them both, available at your favorite craft store!
