**Hot and Fresh Right Out of
The Microwave Oven!**

TAMPA, FL (December 10, 2008) – Fuse your way to creativity with these expressive decal designs by Diamond Tech. Fuse Art are high-fire decals especially designed to work with the Fuseworks Microwave Kiln (winner of CHA2008 Innovation Award). Use them to create adorable earrings, whimsical necklaces, darling drawer pulls and stylish bottle stoppers. Easy-to-use - you betcha! Simply, hand-apply water-slide decals to the glass and fire in the Fuseworks Microwave Kiln to permanently fuse decal onto the glass surface. **Fuse Art** decals cannot be torn, scuffed, wrinkled or soaked off the glass surface once fired. For the price of paper stickers, you can add permanent, colorful detail to your fused designs. Four fun decal packs from which to choose: Bug-A-Boos, Floral & Words,

Contempo and Mod. You are going to love the results.

Fuse Art Decals is a welcome addition to the **Fuseworks™** Microwave Kiln and accessories. **Fuseworks™**, making the art of glass fusing easy and affordable.
