designed by Kathryn Rubinstein

Materials needed:

- Kreinik Very Fine (#4) Braid 009 Emerald, 2 spools
- Kreinik Very Fine (#4) Braid 015 Chartreuse, 1 spool
- Kreinik Fine (#8) Braid 061 Ruby, 1 spool
- Kreinik Very Fine (#4) Braid 202HL Aztec Gold Hi Lustre, 2 spools

- Darice 10-mesh plastic canvas
- Embroidery needle, scissors
- Optional: white Flexi-Foam (1 sheet), craft glue

Directions:

Cut four squares of plastic canvas, each 40-threads by 40-threads. Follow the chart and *use full 6-strands of floss for all cross stitches and Mosaic stitches*. Center the design on your canvas piece. *Use metallic threads doubled in needle for all cross stitches, straight stitches, backstitches and French Knots*. Work ornament motifs first. When stitching is completed, fill in background with Mosaic stitches using Anchor floss in white.

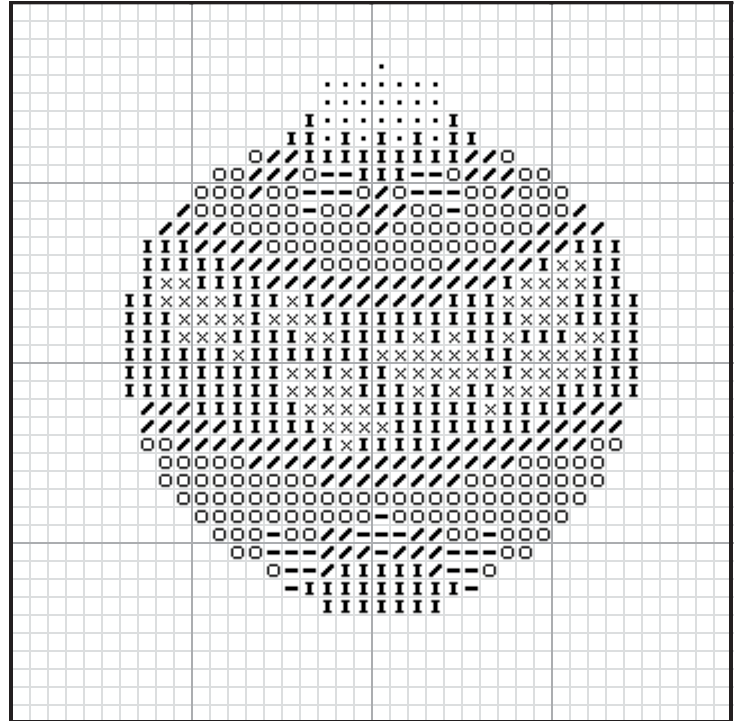

Finishing:

Trim canvas edges smooth. Finish edges with whip or overcast stitches. Trim off excess floss threads. Optional: Cut four pieces foam slightly smaller than coasters. Glue foam backing to wrong side of each coaster.
