Letter from the Editors

Dear Readers,

With April showers come May flowers! Until those blossoms bloom, we must keep ourselves occupied with indoor crafts and activities. One of the best ways to pass the time is by coloring. With our new collection of *4 Beautiful Spring Coloring Pages for Adults*, your rainy April days will pass by in no time.

This springtime collection of coloring pages was designed by Carol Foldvary-Anderson of varyCarol.com, and the pages are so lovely to behold. If you're looking for Easter coloring pages, the Bunnies Coloring Page (p. 6) is a wonderful option. The collection also includes a darling Birdhouse Coloring Page (p. 7) reminiscent of Saturday mornings, where the weather is still a little brisk but the birds are singing. Don't miss the Flowers and Vase Coloring Page (p. 8); this page is just waiting to be colored, framed, and gifted to that friend with a May birthday. Last, the Butterflies and Bees Coloring Page (p. 9) is filled with lovely florals that will enchant you for hours.

If you're ready to celebrate spring, a fantastic way to do so is by coloring these beautiful spring coloring pages!

You can find even more free coloring pages in our collection of [70+ Adult Coloring Pages](#) and even more craft project ideas for adults at FaveCrafts.com.

Our eBooks, like all of our craft projects, are absolutely FREE. Please feel free to share with family and friends and ask them to sign up at our website for [free newsletters from FaveCrafts.com](#).

Hello everyone who loves to play and experiment with color,

I am excited to share with you this eBook of beautiful spring images and icons I have specially created for FaveCrafts.com. I am particularly excited with the illustration of the 2 white rabbits in a garden of flowers, as this image was in my mind for years and when FaveCrafts asked me to design a spring coloring book I knew this was the place for my rabbits to come to fruition.

My world is surrounded by textures, shapes, forms and color. I consider myself to be an all around artist “Creative” working in a varied amount of mediums, and many at the same time. Mediums that catch my fancy, or when working on a particular project that needs to be completed for a client, mixing up my mediums is my thing.

It’s all about the art and the look I am trying to achieve. With so many wonderful products on the market to color, play and experiment with, why be typical and do the expected? In these adult coloring pages, I would hope you will consider different and unique color combinations and even fill in some of the white spaces with your own circles, patterns and lines.

I also encourage you to share with me your completed coloring pages; I would love to see your work, and I would be happy to post them on one of my many social media sites. You can find my contact information on my primary website, varyCarol.com.

Enjoy this spring season amongst the beauty of nature and bring nature inside by coloring!
